Primary School CSC is BACK

We are super excited to have Primary School CSC returning next term! This is a fantastic beginner competition for all levels of player! We have a year 3/4 division and a year 5/6 division.

The competition is played on Friday evenings at CISAC Belconnen from 6:00-8:30pm.

We encourage all Junior Dolphins to play in the CSC.

CWPA at the Australian Youth Championships!

In early January Water Polo Australia held their annual Australian Youth Water Polo Championships up in Brisbane, and CWPA saw 5 of our coaches head up to coach club teams, as well as a large number of our CWPA Junior Dolphins graduates head up to play across multiple Canberra teams!

The championships year after year prove to be a platform for high level competitive competition for junior athletes, and a celebration of the sport. The collective efforts of players, coaches, and supporters make this tournament a memorable experience for everyone involved.

JDs Graduates at AYC!

A round of applause for our Junior Dolphins graduates who competed at the Australian Youth Championships in Brisbane! With 11 Canberra teams competing across U12s to U18s, our JDs alumni showcased their skills.

Notably, the 14&U Nordek boys secured the Green Division Championship, making them the first Canberra team to win an AYC title! We're stoked to see that so many of these athletes started with us at Junior Dolphins, and continue to compete at the highest level.

CWPA Coaches at AYC!

Hats off to our CWPA coaching team - Ansis, Ryan, Alex, Eilis, and Dragan - for their outstanding performances at the Australian Youth Championships in Brisbane! We're fortunate to have such dedicated coaches shaping the future of water polo.
