ABOUT THE COMPETITION

The Canberra Water Polo Academy (CWPA) is hosting a 7 week Canberra Schools Competition (CSC) for students in years 7-12 during term 3 of the 2024 school year.

The competition is the only weekly inter-school high school water polo competition in Canberra and is modelled off similar competitions in other states.

CWPA will support the schools by supplying all of the equipment necessary to participate, which includes caps and balls. We can also help to provide a coach if a school requires one.

No previous water polo experience is required, as long as students are confident in deep water, they can participate.
